11

✓

=

Diagrammatic representation of the 11th row of the Yang-Baxter equation. The row contains 11 terms, each representing a different configuration of three strands (top, middle, bottom) and their interactions. The strands are labeled with 'U' and '人' (person) symbols. The interactions are represented by various geometric shapes and arrows, including circles, triangles, and rectangles. The first term is a red '11'. The second term is a checkmark '✓'. The third term is an equals sign '='. The remaining terms are diagrams involving strands and interactions.
