

## INFORMATION SHEET

## PURPOSE

### REACHING AND TEACHING

- Bring awareness in Bible translation
- Introduce and teach the MAST translation method.
- Teach over borders where we cannot safely teach, through broadcasts.

## MORE THAN RADIO

### RADIO, YOUTUBE, PODCASTS, T V

Doors are opening around the world for the RADIO program to reach languages through mediums beyond just radio.

## GET INVOLVED

### JOIN US

RADIO is expanding quickly and needs help to match the speed at which God is growing the program! We want you to join us on this amazing mission He has set out.

Volunteer Positions:

- Podcast Technicians
- Translators
- Artists/Graphic Designers
- Video Specialists
- PowerPoint Designers

## BROADCASTS

### B 6

Broadcasts 1-6 discuss the importance of having the Bible in every mother tongue language, teach MAST method, ensuring translation quality, tools & pipelines available, and the importance of Church engagement.

### B 52

Broadcast 1-52 teach MAST method, remind translators to have a completion plan, discuss accuracy, cultural issues and spiritual disciplines, encourage them to invite others to join the team or even begin the translation process in their own. This is done through teaching, stories and interviews.

## CURRENT LANGUAGES

- |                     |              |
|---------------------|--------------|
| * Spanish           | * Portuguese |
| * Russian           | * Chinese    |
| * Tok Pisin         | * Nepali     |
| * Bahasa Indonesian | * French     |

## CURRENT PARTNERS

### WORLDWIDE

Through our partners around the world, we are able to reach languages we may never be able to touch through radio, podcast, YouTube & TV.

- **Amaziba Ministries** in Uganda
- **Our Daily Bread** in Central & South America

**“Until I come, attend to the reading, to the exhortation, and the teaching.”**

— 1 TIMOTHY 4 :13
