Doctrine: Scripture— Divinely Inspired

Positive Statement:

Scripture, also called “The Bible,” is God’s Holy Word written down. It is a very important means by which God makes himself known.

For more than 1,600 years, the Holy Spirit inspired many human authors to write down God’s message accurately.

The Word of God is true in all it teaches. It is reliable for teaching people about God, his salvation through Jesus, and his ultimate plan for future glory. And, it is a guide to how Christians should behave and glorify God with their lives.

The purpose of Scripture is to bring about faith; to instruct, correct, reprove, and strengthen believers; to equip believers for good works; and to help believers understand who God is.
