Positive Statement

- The term "Son of God" refers to Jesus, who came into the world as a human being. He is also often referred to as "the Son."
- God is three persons: God the Father, God the Son, and God the Holy Spirit. Each of these persons is fully and equally God, and yet they are one God. This is a mystery that humans cannot fully understand.
- The Father, the Son, and the Holy Spirit have the same character.
- "Son of God" refers to God the Son, who came into the world as a human being to be the Savior and Christ. His name is Jesus.
- Unlike human sons, the Son has always existed.
- In the beginning, the Son was active in creating the world along with the Father and the Holy Spirit.
- The Father sent the Son (Jesus) into the world, and the Father and the Son send the Holy Spirit to his people.
- Because Jesus is God's Son, he loves and obeys his Father, and his Father loves him.
- Though the Father, Son, and Holy Spirit are equally God, in most instances in the New Testament, the word "God" refers to "God the Father."
