

My name is Eufrocina Facunla. I am from Naneng Kalinga. I am honored to be one of those who are called to translate the New Testament Bible to Naneng language, because not everyone is given the opportunity to do it. I have had the best experience on how to listen to the Word of God, understand it in a new way, and love the Word of God more than before. I desire that my folks at home in Naneng will appreciate and love the work and sacrifices we did. I hope they will listen to the Bible and know the reason why God sent Jesus Christ, His only beloved Son to Earth. They can know it is because of His great love to

save us. I pray that after this I will leave a footstep where others can follow. Thank you.

She is fondly called "Ping" and has been with the group since the OL project in the Philippines started in 2016. Please include her in your prayers because she is very sick. We believe that God will bring a miracle in her life and completely heal her.
