Doctrine: Man

#### Positive Statement:

In the beginning, Man (humankind) was created by God in his own image and for his glory. God created Man to have a relationship with him and to live with him forever.

Adam and Eve were the first humans on Earth.

After Adam and Eve sinned, all other human beings are born into a state of sin, and because they sin they are separated from God.

Because of Man's sinned, he is deserving of God's wrath.

In spite of Man's sin, God still loves Man and saves those who trust in Christ.

#### Acts 17:24-28

**Background:** This account is from Luke's second book. These verses are a record of a sermon that the Apostle Paul preached to people who were interested in philosophy and in different views about how the world was made.

**Doctrine: Salvation** 

#### Positive Statement:

Salvation is the work of God to rescue his people from their sin and from the punishment they deserved for their sins.

Human beings are born sinful; separated from God and opposed to his purposes. But God, because of his great love, sent Jesus Christ to die for the sins of humanity.

Everyone who confesses their sins and believes in Jesus Christ receives forgiveness for their sins and is given new life in Christ, and promised eternal life with Him.

There is no other way to be saved, except by the death of Christ for us, and there is no other way for man to be made right with God but by the grace of God in Christ Jesus.

#### Doctrine: The Church--The Body of Christ

#### **Positive Statement:**

The Bible speaks of the church as the body of Christ and Christ as the head of the church. For Christ to be the head means that he is the Lord and leader of the church. And, just like the body would die without the head, the church would not exist if it were not for Christ.

The church, as the body of Christ, serves and obeys Christ. And just like a body is one, but has many parts, the church is also one with many parts. The church consists of individual believers who believe in one God, who serve one Lord, the Lord Jesus Christ, and are filled with one Spirit. All believers work together as one person to bring glory to God.

However, these individual believers serve in different ways according to how the Spirit has empowered them. For example, there are apostles, prophets, leaders, teachers, and healers. There are also those who encourage others, those who are hospitable, and those who are generous. All ways that a person serves Christ through the Holy Spirit is valuable and should be celebrated.

Also, as the body of Christ, the church is the physical representation of Christ on earth. The church continues the mission that Jesus started when he was on the earth. That mission is to teach all people of the world about God and salvation through Christ.

#### Romans 12:4-8

**Background:** This passage is from a letter that Paul wrote to the Christians in Rome. In chapter 12 Paul wrote about the church and how believers should live their lives, how they should live within the relationships they have in body of Christ, and how they should use their spiritual gifts.

In 12:4-8, "we" refers to all believers including Paul.

In verse 4, what did Paul say about the human body?	the body contains many members/parts that perform different functions.

#### Doctrine: Holiness of the Believer

#### Positive Statement:

All who put their trust in Jesus Christ are saved and are declared by God to be holy. This holiness is given to all of them who believe because Christ gives his people his holiness, and so they can be called, "holy."

Believers also demonstrate a practical holiness, that means believers are to live lives in everyday activities that reflect the holy nature of God by the way they live, in following God's Word and obeying what it says.

Christians live holy lives because the Holy Spirit lives within every believer,

Finally, Christian holiness means the one who believes in Christ is set apart, or dedicated (another meaning of "holiness") to serve and glorify God.
